WICHITA MARKETS.

Receipts of Live Stock at the Union Stock Yards during the past 24 hours-40 Cattle, 1,300 Hogs. Shipments-

The receipts of cattle were light. Some good stuff was on the market, however, and sold at fair price. A load of feeding steers sold at \$2.50 and some choice butchers' cows at \$2.30. Cattle have been scaro for some time, and more good stuff could be sold any day than is offered. Several feeders were on the market the past week looking for yearling and 2-year-old steers. The market has been steady on all grades of cattle and good to choice cows are strong at prices quoted.

The receipts of hogs were good for clo ing day. The market was lower all around. Considerable sorting was done by packers. The grade of the hogs were not so good today as has been for some time past. Quite a number of heavy hogs were sold at prices ranging from 18 to 15 cents lower than yesterday. Packing hogs declined 10 to 15 cents today. Packing hogs declined 10 to 15 cents today, and pigs and light hogs are totally demoralized, owing to bad condition of Chicago and Kansas City markets on this grade. Top hogs sold for \$3.60, with bulk at \$3.50. Pigs slow and hard to sell at mean prices.
